Massage from the Principal

I take the privilege to extend my thanks and gratitude to the Organising Committee for organising a National Seminar on "Preservation of Indian Traditional Knowledge in the Ethno Libraries of India with special reference to North East Region" on the occasion of Golden Jubilee Closing Ceremony Celebration of Assam College Librarians Association from 30/01/2025 to 01/02/2025. The Seminar is being sponsored by Indian Council of Social Science Research (ICSSR), Govt. of India. I am also immensely delighted to learn from the Convenor of the Nation Seminar, Dr. Hari Charan Das that the organising committee is bringing out a compilation of the abstract of the research papers, which I believe will go a long way in generating new and innovative ideas towards broadening the vision of the participants on various aspects of the topic.

I wish the Seminar and Ceremony a grand success.
